## Social Media Strategist

### About this course:

Social media strategists are experts at managing online communities. They understand how to identify target users who might be interested in a particular product or service, and detail ways for businesses to reach those users. This course covers the path of becoming a social media strategist. Students will learn

about the rise of social media, conducting and auditing market analysis, setting goals and selecting platforms, creating the social media policy and integrating marketing strategies. They will also learn about developing effective content, popular platforms, launching successful campaigns, managing the community, customer service and measuring, analyzing and reporting.

The average salary for social media strategist is **\$48,453** per year.
